Glitsa Launches GlitsaMax x2 Commercial Waterborne Finish

Seattle, Wash. – March 25, 2016 – Glitsa, a division of Rudd Company, Inc. has added GlitsaMax x2™ to its waterborne finish line.

Glitsa's new improved GlitsaMax x2 commercial waterborne finish features improved dry times, easier application and three sheens. GlitsaMax x2's polycarbonate resin system delivers superior scratch and scuff resistance with a clear, consistent finish.

GlitsaMax x2 is available in Semi-Gloss, Satin and Ultra Matte sheens.
