

FOR RELEASE JANUARY 15, 2018

Glitsa Partners with American Products

Seattle, Wash. – January 15, 2018 – Glitsa has appointed American Products as a Full Line Distributor of its wood floor finishes.

American Products will distribute Glitsa’s full line of Conversion Varnish, Waterborne and Polyurethane wood floor finishes throughout its six locations: Pineville, Kernersville and Raleigh, NC; Greer and Columbia, SC; and Jacksonville, FL.

“Glitsa is excited to be able to expand its level of customer support and accessibility to our finishes through American Product’s quality staff and locations throughout the southeast.” said Julie Russell, Business Unit Director for the Glitsa brand.

About Rudd Company, Inc.

Rudd Company was founded in 1912 and has kept its roots firmly planted in the Northwest, while serving customers throughout the U.S. In addition to Rudd Wood Finishes, the company also produces Glitsa® wood floor finishes, SkimStone® decorative concrete finishing system, Milestone™ cementitious vertical overlay system and Encore™ complete countertop refinishing system.
